The spectrum of Friends in New England is both wide and diverse. This course will involve us in a variety of Friends' worship traditions. We will worship with three different meetings, unprogrammed, pastoral and evangelical. Each week we will gather together in a central location to carpool to the host meeting. There will be time to hear a Friend from each of these traditions respond to queries about how Light works in their lives. Our meetings with representative Friends from these meetings will help us to understand what makes us all Friends.

**North Shore Meeting** is one of the unprogrammed meetings in Salem Quarter, New England Yearly Meeting.

**Smithfield Friends Meeting** practices programmed worship (and supports a pastor) in Rhode Island-Smithfield Quarter, New England Yearly Meeting.

**Iglesia Evangelica Amigos**, an evangelical Friends church founded by Friends from El Salvador. **Interpretation will be provided.**
